Washington, D.C. 20231

Dear Sir:

The Notice to Filing Missing Parts of Application and Notice to Comply with Sequence Requirements was issued by the U.S. Patent and Trademark Office on August 8, 2001, in connection with the above-identified application. On September 24, 2001, the Oath and Declaration were filed in reply to the Missing Parts Notice. Enclosed herewith is Applicant's reply to the Notice to Comply, and a three month extension of time. In view of the filing of the three month extension of time and payment of the fee, thereby extending the deadline to January 8, 2002, this reply is timely filed.

Also enclosed is a Second Preliminary Amendment for consideration and entry into the subject application. The requested amendments are identical to those initially filed on September 24, 2001. The amendments are refiled because Applicant's copy of the filed amendment is unsigned.
